Pay and Allowances

The Westminster Bank is in a position to receive military pay and allowances, and to credit these to any of its branches upon the necessary instructions from an Officer to his Command Paymaster. Amongst its less familiar capacities, the Bank is able to arrange periodical payments by Agents abroad, and conversely to receive money sent from overseas for forming a capital basis which is secure and accessible. It will also undertake regular payments at home such as club subscriptions, insurance premiums, and school fees, and will accept Powers of Attorney to deal with customers' investments during absence abroad.

Information may be had from the Manager of the Aldershot Branch or from any other Branch which may be convenient

THE MONTHLY ARMY LIST

FOR

JULY, 1930.

NOTICES.

Under the provisions of the Army Act, 1881, Section 163(*d*), this Army List is evidence of the status and rank of the officers mentioned in it.

No Army List, except this List, its Half-Yearly Supplement and the Half-Yearly List, is authorised by the War Office.

The words subscribed to the titles of regiments, as "Peninsula," "Waterloo," "Neuve Chapelle," &c., denote the Honours awarded to such regiments in commemoration of their services. Those printed in heavy type are borne on their Standards or Colours, or, in the case of regiments having no Standards or Colours, on their Appointments.

Officers whose names are printed in *italics* are on the supernumerary or seconded lists.

In regimental lists of Foot Guards and Infantry an officer's battalion is indicated by a number in elliptical brackets, *e.g.* (2), after his name; a number enclosed in square brackets, *e.g.* [2], denotes that the officer is *attached* and not posted.

Communications from officers of the Militia, Territorial Army and Supplementary Reserve regarding the entry in this publication (*a*) of letters denoting military qualifications, and (*b*) of the symbol ✕ denoting War Service, should be forwarded *through the usual official channels*. Other communications regarding alterations, errors, or omissions should be addressed direct as follows:—

THE UNDER-SECRETARY OF STATE,
The War Office,
Army List. *London, S.W.1.*

Officers who succeed to peerages, baronetcies, or courtesy titles are responsible for immediately notifying the fact to the Under-Secretary of State, The War Office, in order that the necessary alterations may be made in the Army List and in the official records of the War Office.
